

Grocery Shopping List

Please be as specific as possible on brand names, quantities, weights, and frozen, canned or fresh.

The cost for the shopping service is \$20 per hour plus 10% of the cost of items purchased. We require a MasterCard or Visa for payment unless other arrangements are made with us.

Your order will be delivered by 5:00 pm on your arrival date, barring any complications with prior tenant departure or cleaning schedule conflicts.

Montana law requires you to be 21 or older to order/purchase alcoholic beverages or liquor. We will need a copy of your driver's license to deliver alcoholic beverages or liquor.
